

Solas Chríost National School

Weekly Home Learning Plan

Class level: 4th

Week: Tuesday 5th May to Friday 8th May 2020

Maths

Topic: 29 Number sentences

A number sentence is an arrangement of numbers and symbols, such as the following:

$$6 + 7 = 13$$

$$45 - 6 = 39$$

$$8 \times 9 = 72$$

$$48 \div 8 = 6$$

Think about the language in maths and what each symbol means +, -, >, <, =

1. Translating addition or subtraction number

Literacy

Reading:

- *The Golden Harp page 110 to 112. Use a dictionary to find out the meaning of : .mystery weirdy Fairymagic unicorns embarrassment astonishment aphid graciously*

Topmarks Daily 10

blue? the sky is blue Where the clouds float thro'. What is white? a swan is white Sailing in the light. What is yellow? pears are yellow, Rich and ripe and mellow. What is green? the grass is green, With small flowers between. What is violet? clouds are violet In the summer twilight. What is orange? why, an orange, Just an orange!

Christina Rossetti

Grammar.

- Watch the following:

<https://www.youtube.com/watch?v=sEGPVtxesjM>

- Use an apostrophe to rewrite the words in brackets.
- 1. _____ going to the circus tonight. (They are)
- 2. You _____ eat sweets before dinner. (should not)
- 3. _____ the oldest child in my family. (I am)
- 4. The teacher said _____ giving out copies this week. (he is)
- 5. Kevin _____ do as the teacher told him. (did not)
- 6. Molly _____ feed herself because she is only a baby. (can not)

History

Earthlink Unit 34 pg 78-79
Going Shopping
Read the unit and complete
the exercises!

See if you can find out any
information on The
ballinasloe Fair or Puck Fair
in Kerry! Record any
interesting facts you find!
you could make a mind map
on fairs if you like!

Art

Sketch a spring scene! Draw
some flowers in your garden
or a vase of flowers in your
house!

If you have no flowers/
garden, get creative! using
recycled items in your
house you could make a
rocket, vase of flowers,

Geography

Earthlink Unit 16 pg 36-39
Aerial Photographs
Read the unit and complete
the exercises!

If you have access to google
Earth look up somewhere
you know and draw a simple
aerial of map!

You could look up

1. Your house
2. The school
3. The square
4. Somewhere you went
on holidays

Science

Earthlink Unit 10 pg 24-25
Bursting in flower.

Read the unit and
answer the
questions!

If you have a flower in
your house/ garden
draw the flower and
label it!

watch this cool
experiment!

https://www.youtube.com/watch?v=rtUo8MSy_o0

Write a short recount
of this experiment in
your own words!

Active Learning

P.E.

<http://www.facebook.com/sdcsp>

Daily P.E. lesson from South
Dublin Co. Council Sports
Partnership.

Religion

Read about St. bridget
Earthlink pg 72/73
Write 5 things you learned
about St. Bridget.

spaceship! The possibilities
are endless!

Hi kids,

I hope that you are all safe and well, it's hard not being able to play with your friends, or to see some of your family, but hopefully everything will get back to normal soon! I miss going into school and seeing all of you, I miss all the fun we had! I hope you are getting on well with the work so far and that you are enjoying spending time with your families! Don't worry if you don't get everything done, just do your best to get through as much work as you are able to. I hope everyone is helping out at home and that you're finding time to get some fresh air every day, hopefully this lovely weather we have been having will continue!

Keep up all of your fantastic work and hopefully I will see you very soon!

Ms. Mullane and Ms Doran

Ms Allen's groups in 4th class: Week 6 plan, starting Tuesday May 5th

Well done to everybody who has continued with their work. That maturity and skill of concentration will really help you for the rest of this school year and for 5th class and the Senior block in September. Ms Allen

Maths: Multiplication facts for 4th class Euclid, Sophie Germain and John Nash Maths groups

Let's apply your Maths Tables: time for fun and your choice of maths learning.

You know the multiplication tables from 1-10 now. You know the 6 facts for each multiplication number as I showed you, the 2 multiplication facts, 2 division facts and 2 fractions. Go to: **www.topmarks.co.uk** Then type: **Maths Invaders** in the Search box. Then **Go**.

When it opens, click the pages until you see a Menu on the right-hand side. Choose between multiplication, addition, reading numbers, subtraction or fractions.

English: 9:00 4th class group with Ms Allen starting Tuesday May 5th

1. Language and Reading combined: adjectives and adverbs

Go to www.topmarks.co.uk Then type **Creepy verbs and adjectives in super stories** in the Search box and **Go**.

Read the story on screen, then it takes you to the start of the story. You choose other verbs or adjectives to make the story more interesting.

2. from your Reading to Writing:

You should have a list of the books which you read from this site or any other reading which you have done. Use this list to write a list to sort what you have read into groups.

Imaginative reading: stories.

Factual reading: real facts which you read in a newspaper or news online or on the TV.

facts from the History, Geography or Science from Ms Mullane and Ms Doran..

Instructional reading: lists of instructions for recipes or something you did or made.

Please keep a list of the books or anything which you have read since we started online/ school at home, so that our group can discuss and compare them when we get back to school.

3. **Writing**: write a list of 5 new skills.

Start with “Now I am able to For example: vacuum or Hoover the sitting room, keep my books tidy, read to my sister/ brother

English and Maths for 9:30 and afternoon pupil starting Tuesday May 5th

Hello, I hope that you got my copy of weeks 3, 4 and 5 which I asked the school to print and post to you by normal post. Ms Allen

English: Reading: Log on as before to <https://www.oxfordowl.co.uk/>

Click on as before and try “**Age groups**” work on the age 5-6 or try 7-8 books

2. Now take a well-earned break and enjoy listening to stories read by actors and authors.

Go to www.storylineonline.net Pick a book. Pick your choice of method of listening. I used You tube and it worked well.

3. **Sight words**: <https://www.sightwords.com>

Click on **Flash card** (words in red), then click on **quarter page** Then revise the words for **kindergarten** and **1st grade** words on screen.

Applying sight words: If he did well with those words, put some of them into sentences which you can write on paper or type into a Word document on your computer.

4. **Phonics** read these words: ship, shot, slot, slip, slick, skip, skim, sting, stop.

5. **Maths** **Maths Revision at home/ house/apartment/garden/looking out the window.**

Find 5 things with numbers on them.

Find 5 things with weight on them, it will show a number and g (grammes) or kg (kilogram)

Find 5 things which are bigger than a metre. A metre is about up to his shoulder.
